### Agreement

- Agreement period:
  - 12 months** (Course duration: 1 to 6 months)
  - 18 months** (Course duration: 7 to 12 months)

## Advanced Technology Meister Programme (ATMP)

### OBJECTIVE

To provide industry relevant technical courses & skill enhancement to develop high skilled industry talents;  
Led by industry, endorsed by Academia

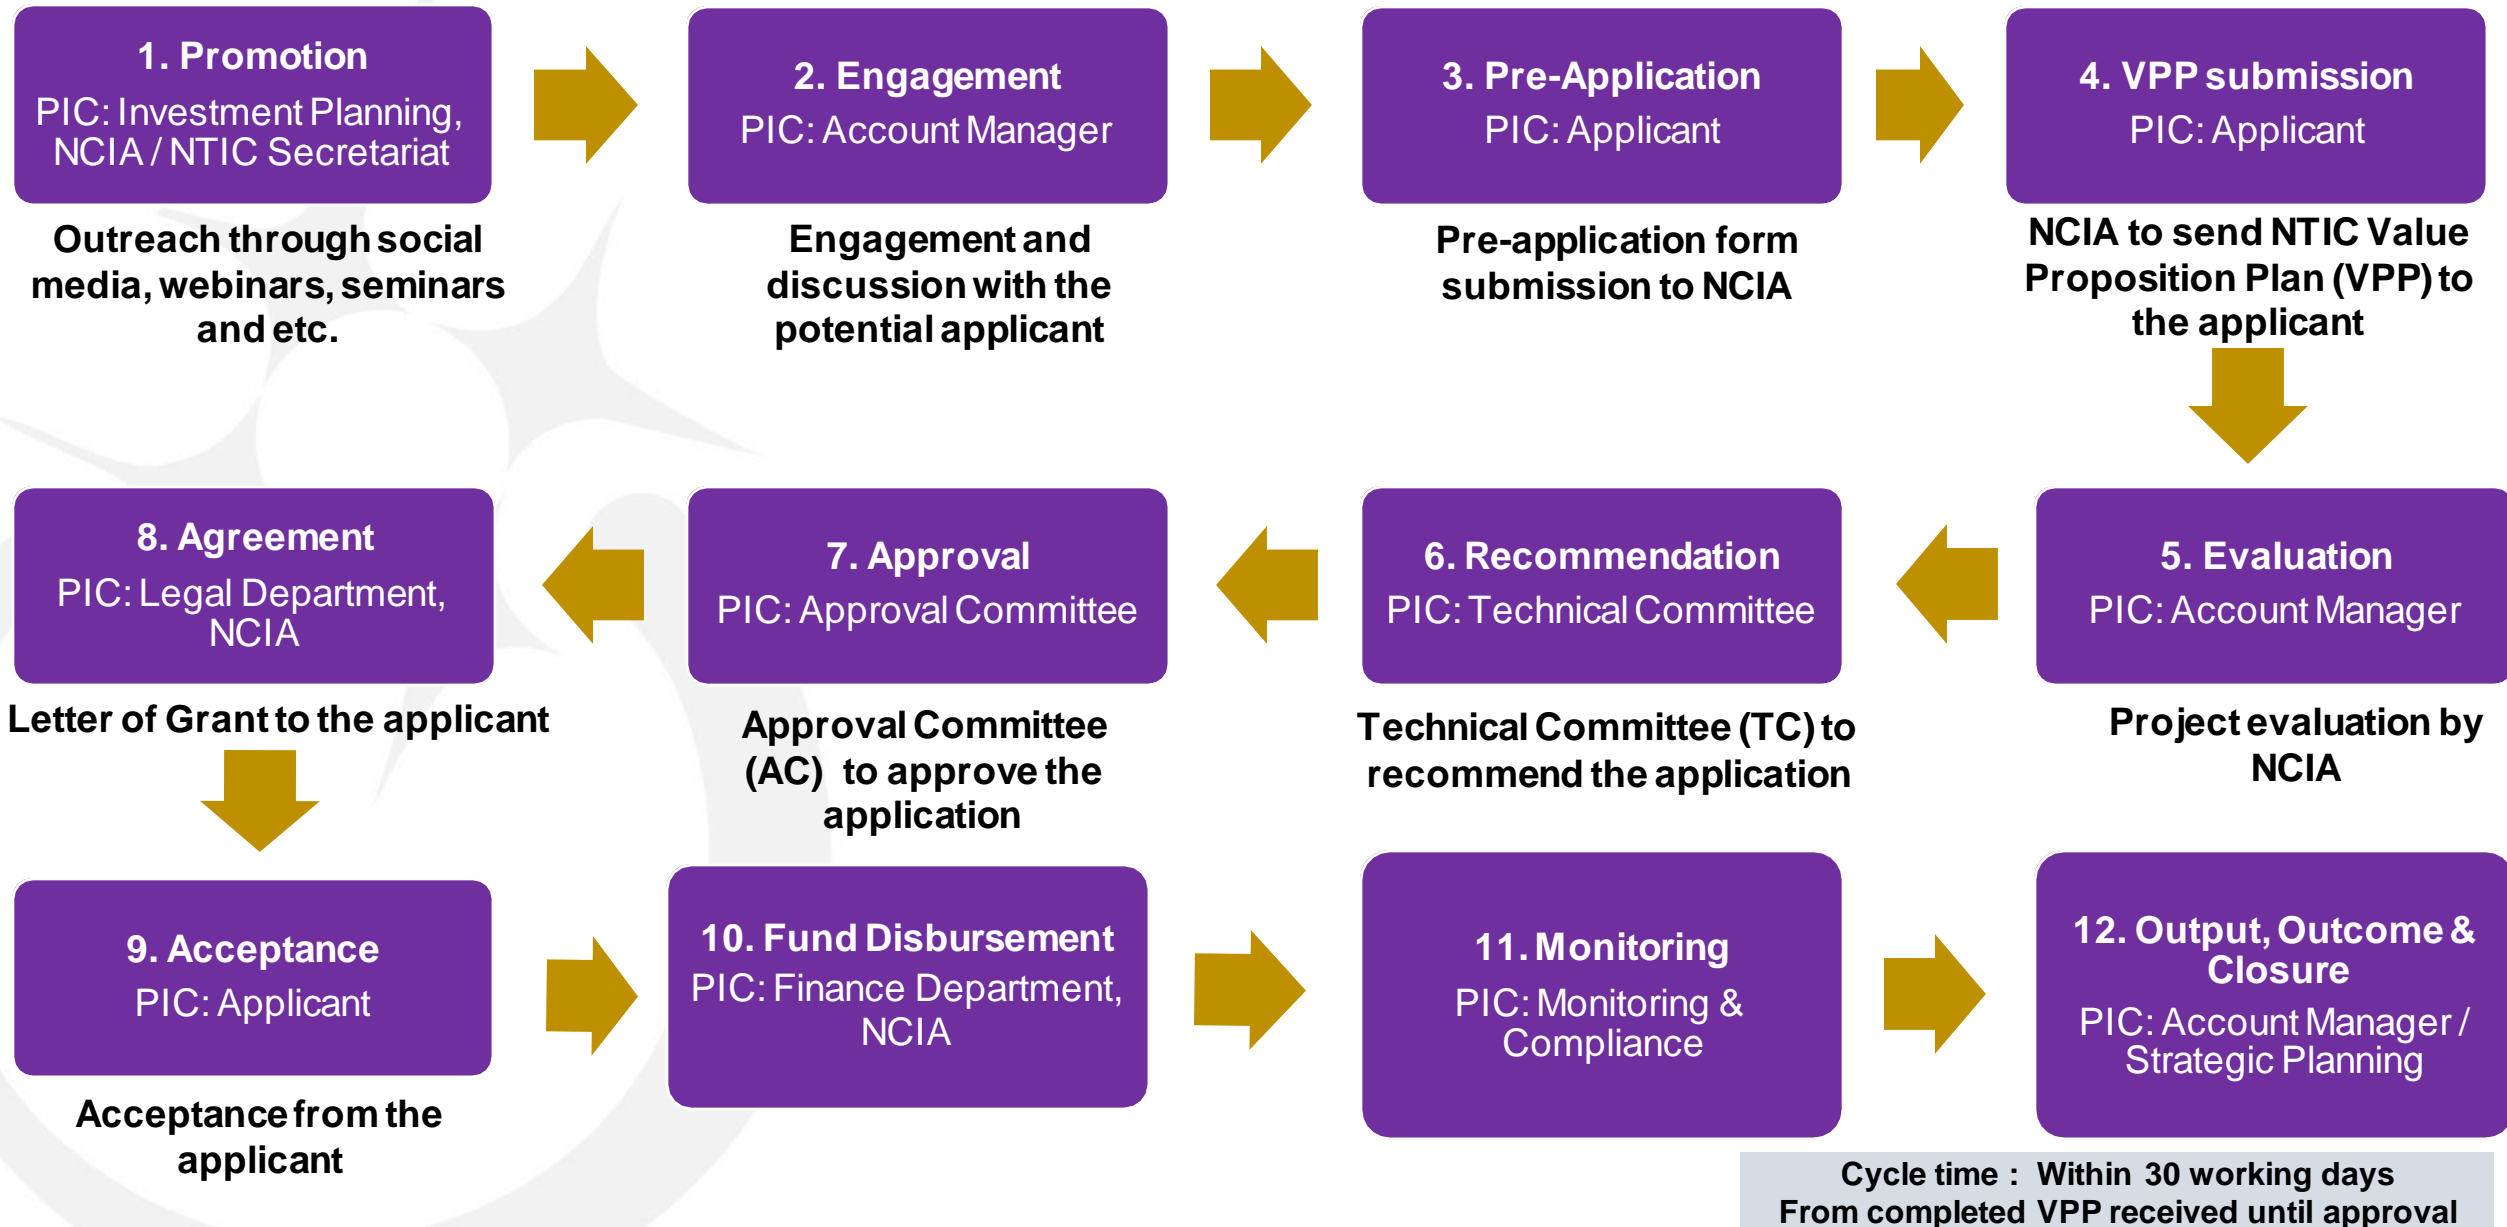

### List of Available Courses

1. Smart Intelligent Manufacturing 4.0
2. PLC Fundamental for Automation and IoT 4.0
3. Lean Six Sigma with IR4.0 Manufacturing Services
4. Industry 4.0 Transformation : Technical Skills and IoT Integration in Practice (TSITP)
5. Robot Programming and Simulation for IR4.0
6. Data-Drive Electro-Hydraulics with IoT Gateway for Remote Monitoring
7. Autocad Essential with 3D Printing

List of courses will not be limited.  
Open for any specific request /  
requirements by the industry.

# Process Flow for ATMP

# ATMP - Frequently Asked Question

- 
- 1 **Q. Can the training be conducted in less than one month but meet the training hours required?**
    - A. The company **MUST** meet the minimum **64 hours, with 32 hours per month** requirement. Minimum one month training duration is to provide flexibility for company to plan out most efficient training schedule with the resources & training provider.
  - 2 **Q. Is the company allowed to send the same participant for training Level 1 & Level 2?**
    - A. Level 1 & Level 2 training must be for DIFFERENT participants.
  - 3 **Q. Can the training courses be changed after approval?**
    - A. Company **MUST** follow the training course as stated in the Letter of Grant (LOG).
  - 4 **Q. What if the company cannot meet the number of participant as per initial commitment?**
    - A. Company **MUST** follow the requirement as stated in the Letter of Grant (LOG). Companies must determine the allocation upfront according to their needs and meet the commitment.
  - 5 **Q. Can the Soft Skills training be included?**
    - A. The training will only cover the **Hard Skills (technical training)** and company **MUST** follow the requirement set.

- 6 **Q. What are the documents required during the claim?**
  - A. At minimum:
    - i. Copy of participant's IC
    - ii. Copy of their employment offer letter (if newly hired) or prove of employment letter (if hired > 1 year)
    - iii. Copy of pay slip (if applying for training allowance reimbursement) or prove of transaction.
    - iv. Copy of Certificate for Meister Programme
    - v. Copy of the invoice for Meister Programme
    - vi. Payment receipt to the Meister provider
    - vii. Copy of training attendance with course duration
    - viii. Drawdown letter from company for claim request
    - ix. Any other supporting documents as per requested by NTIC Secretariat
